

Welcome to North Walhalla

Pastor Nolan and the staff thank you for coming today! If you are a first-time visitor, please fill out the contact card located in the bulletin or in the back of the pew. Drop it in the offering plate or give it to an usher or greeter. We hope that you enjoy your visit and that you will join us again real soon.

Pentecost Sunday

We celebrate Pentecost Sunday with one of the key marks of Pentecost, which was people uniting in fellowship with the church. Today, we will open our doors just as they did in the book of Acts to allow God-sent people to become a part of our church family. This is a special time and something we should never take for granted. In a day where some churches are in decline, God is bringing people to us who need a church family that is all about the Kingdom business. I encourage you, NWCOG, to not only open your arms today and celebrate, but to also continue to be steadfast in our desire to be the church and advance the cause of Christ in our region. “Praising God and enjoying the favor of all the people. And the LORD added to their number daily those who were being saved.” Acts 2:47

Azusa Street Revival

Last month, my son, Tyler and I were blessed to take a trip to Los Angeles and drove up to Seattle. We saw so many exciting places but the most inspirational one was Azusa Street in Los Angeles. The Azusa Street Revival, beginning in the spring of 1906 and lasting through 1909, largely spawned the worldwide Pentecostal movement. It commenced in a former African Methodist Episcopal church building located at 312 Azusa Street in Los Angeles, California. The primary leader was evangelist William J. Seymour, who came to Los Angeles to preach the apostolic faith, a teaching that combined the baptism of the Holy Spirit with speaking in tongues, such as was experienced in Jerusalem on the Day of Pentecost, as recorded in Acts 2. It is my prayer that the fire that ignited the revival in 1906 on Azusa Street will ignite us and that this generation will experience an outpouring of the Holy Ghost like never before!

Safe House Donations

When abused women flee to the safe house, they go with what’s on their back. Sometimes they have a baby or a child with them. They have no pajamas, toothbrush, comb, deodorant, soap, or personal care items, etc. Mary Wyckoff has made it her mission to help serve these ladies and is seeking your help in getting these much-needed items. If you would like to help in this mission, please bring items to the church and Mary will see that they’re delivered to the Walhalla Police Department. From there, an authorized person will take them to the safe house.

Social Media

All department leaders, be sure to email Leah Duncan with your photos of church events so she can post them. The email address is social@nwcogonline.com.

Foster Families Need Your Help

Please help out at the Foster Closet on Saturday, May 26, from 10:00am to 12:00pm. The Foster Closet is a resource for the things that kids in care need: clothes, shoes, diapers, beds, toys, car seats, etc. It is especially critical for kids that come in to care in emergency situations because they often come to their foster home with only the clothes on their backs. We have a lot of items that have been donated that need to be sorted. We also need help changing the winter clothes out for summer ones. The Foster Closet s located at Bountyland Baptist Church in Seneca. A sign-up sheet will be in the foyer. If you have any questions, please call or text Teresa Owens at 864-723-4564.

First Responders Service

Last year we celebrated and recognized all our first responders here at NWCOG and in our community. Our desire was to give honor where honor was due to people who serve us when the need is the greatest

We are excited to announce that we will recognize these heroes once again on Sunday, July 1, in the morning service. We have invited many of our county’s leaders who help serve, coordinate, and facilitate the safety and well being of the people in which they watch over. We are asking that all our first responders who attend NWCOG sign up in the church office to let us know that you will be participating in the service. We encourage you to invite others who serve with you as well.

We are also excited to announce that on Friday, June 29, between the hours of 7:00-9:00am, we will have a breakfast for all first responders of our community. This, of course, is free and is a small token of our appreciation.

If you’d like to join the nursery care team to assist as caregiver during services, please contact Brittany Gosnell. This important ministry is sure to bless your heart!
