HOPE FOR YOUR JOURNEY

## Sunday, August 19, 2018

### Welcome to North Walhalla

Pastor Nolan and the staff thank you for coming today. If you are a first-time visitor, please fill out the contact card located in the bulletin, drop it in the offering plate or give it to an usher or greeter. We hope that you enjoy your visit and that you will join us again real soon.

### North Face Youth Grilled Chicken Meal Today

If you ordered grilled chicken plates from the North Face Youth, they'll be ready for pick up immediately following morning worship today in the fellowship hall. If you haven't ordered and would like a plate(s), please see Russell Baldwin as extras may be available. The plates include grilled chicken, macaroni and cheese, green beans, dessert, and tea for only \$8.00. Thank you, as always, for your wonderful support in all our fundraising events.

### Deacon Election

Pastor Nolan will make a special announcement concerning the deacon election this morning. This will be a quick update that will give important information concerning this matter.

### Special Back To School Prayer Service Tonight

Tonight, we will have a special service that will emphasize prayer for our students, administrators, and teachers as they begin another school year tomorrow. We will pray over all of these with the desire for God to build a hedge of protection around them. Please make plans to be here. There will also be a special initiative presented to our church from a community leader and a time of exhortation from the word. It is going to be a great night that you don't want to miss.

### Minister's Luncheon

Pastor Nolan has held the desire to train, develop, and raise up new ministers for the kingdom of God. This has always been apart of his spiritual DNA. We have seen this in our own congregation as ministers are coming to us and being birthed with a desire to flow in their calling and to fulfill God's mandate on their life. Pastor Nolan is starting a new ministry that will meet with credentialed ministers, non-credentialed ministers who feel called, and those who are wrestling with the call of God on their life. The first meeting is on August 26th right after the morning service in the church fellowship hall. A meal will be provided. Please sign up in the church office. If you have any questions, contact pastor Neal directly concerning this issue.

### Labor Day

As our tradition, there will be no Sunday evening service on September 2nd as we observe Labor Day. Please take this time and enjoy your families. This is a wonderful opportunity to take advantage of spending quality time with the people you love.

### Audrey Loudermilk

It is with great honor to recognize and welcome home one of our very own ministers, Audrey Loudermilk. Audrey has been serving in Baltimore for almost two years in the inner city. She has truly represented the NWCOG with excellence, compassion, and humility as she loved hurting people through the cross of Christ. Please welcome her back home today. Also, we will immediately begin to implement her back into the working ministry structure of our church, knowing she is a good and precious gift to all.

### Ladies Lunch Fellowship

All ladies are invited to join us at Ye Olde Sandwich Shoppe in Seneca on Tuesday, August 21 at 12:30pm.

### Thank You!

This past week, Bo, Becky, and Summer Walls had an electrical fire in their home. This situation has been very trying to say the least on the family. However, I wanted to thank the NWCOG for your immediate response to relieve such a heavy burden to this precious family. Your outpouring of concern, care, and resources has been outstanding! Thank you!

### College and Career

We are excited to announce our next College and Career service on September 9th, in the evening service. Chris and Whitney Burton do an outstanding job as pastors over this great group of young people that are vital to our church and our future. Also, we are glad to have Laura Willis back leading the College and Career choir and leading us in worship that night. We will update you more about this service next week.

### College and Career Fellowship

College and Career will have pizza and a bonfire on Sunday, September 2nd at 6:00pm at Chris and Whitney Burton's house. Please see Chris or Whitney with questions.

### Girls' Day Out

The SCCOG Youth Department is excited to announce that the 2018 Girls' Day Out will take place on September 29th at the Mauldin Convention Center. Registration is open now and the cost is \$20. This event is for girls ages 3-19 and is sure to be a blast for everyone! Please see Ashley Butts, Shannon Baldwin or Jessica Nolan for information regarding transportation and lodging. Girls' Day Out applications are available in the foyer. These need to be turned in to Ashley Butts or Shannon Baldwin before August 26th.

### Social Media

All department heads be sure to email Leah Duncan with your photos of church events so she can post them. The email address is social@nwcoonline.com.

### Voices of Lee

We are excited to announce that we will have Voices of Lee with us on September 16 during the morning service. Since 1994, Voices of Lee from Lee University have thrilled audiences worldwide. Propelled into the National Spotlight on the debut season of NBC's Sing OFF—a competition of a cappella groups—their music is powerful! You don't want to miss this anointed service. Their music will bless all ages!

### Shut-in of the Month

Our shut-in of the month is Mrs. Eleanor Pearson Mize. Her father, John Pearson, was one of the founding members of #2 Church of God. She has been in Lila Doyle for 12 years. Eleanor loved singing, going to church, being active in attending the senior adult meetings, chewing bubble gum and putting together difficult puzzles. She is widely known for her infectious smile and laughter. She, even now, always has a smile she shares with everyone. Eleanor loves all visitors, but especially loves when teenagers come visit her!

### Wednesday Night Teaching

Pastor Nolan has begun a Wednesday night teaching series on the book of Jude. Jude is a short letter that was sent to warn the church to be careful to not drift into apostasy. You don't want to miss this series this summer!

### Small Toys Being Collected for Children in Ecuador

Kathy Boggs is still collecting new or gently used small toys, small stuffed animals, McDonald's Happy Meal toys, and socks for the December 2018 trip to Ecuador. For any details or if you're interested in going on the trip, please contact Rusty or Kathy (864-723-2191).

### Church Phone Tree

If you would like to be added to the church phone tree to receive important announcements via phone, please contact Lisa Addis in the church office (864-638-6556).

### Missions Week

We are excited to announce that September 23-30 will be known as "Missions Week" at NWCOG. Missions and outreach has always been the heartbeat of the church. We have great men and women at NWCOG that already serve in missions. Our desire for this week is to make aware the needs and purpose of having a Biblical mindset concerning missions. Also, we want to educate and give a chance to serve in local missions that week as well. We will have some guest speakers to come in throughout the week to speak about their own call to missions. At the end of the week we will have our normal outreach into the community and also, we will have a special offering to give to a special mission project.

### Cards to the Church

*Thank you so much for all your love and support in the loss of our son, Eric Tench. Also, thanks for everyone that made a donation to the Rabun County EMA/Rescue and Search Team. Your kindness and love will never be forgotten. To all that attended the Celebration of Life in memory of Eric, not enough words to express our gratitude. Once again, thanks so much! Sending Our Love, Doug and Sandra Tench Antoine, Michelle, and Ayden Bernier*

### City of Refuge

We are excited to announce that we will have Rev. Bruce Deel with us on September 23 in the morning service to kick off missions week! Rev. Deel is a credentialed minister in the Church of God and is the founder of City of Refuge. As the founder and CEO of City of Refuge, Bruce Deel is bold, relentless and unyielding in the fight against poverty and the consequences it has in Atlanta, GA. He founded the organization in 1997 with a mission to help the broken, assist the at-risk, and prevent future crises. For the past 18 years, his mission has been to bring light, hope and transformation to Atlanta and other cities. Bruce brings a sincere level of passion and integrity for creating leaders within the community to continue the mission. You don't want to miss this service! This service will be life changing for many in our congregation!

### Let's Go Camping

Our Fall Church Camping Trip is scheduled for October 1-7 at High Falls County Park. We had 20 families that camped with us on our Spring trip and we want to invite all our North Walhalla Family to join us. We are staying in Catfish Cove so book now to reserve your spot before they get gone. This is a great opportunity for church families to get to know each other and make lasting relationships. Please see Anthony or April Holbrooks for more details.
